STOLEN KISSES

Director(s): Françoise DAVISSE, François LANDESMAN

Writer(s): Françoise DAVISSE, François LANDESMAN

François Landesman and Françoise Davisse shared the life of a three-week summer camp for girls and boys aged 10 to 12. From this immersion - devoid of any nostalgia - into the world of childhood, they brought back an amazing document about love.
When relations are still 'innocent', love is first and foremost a matter of words.
But this loving discourse, which takes up all of the children's time, is touching and surprising. Everything is (already) there.
