Based on our 3--part documentary SECRETS OF STATE, this behind-the-scene series uncovers the secret history of American diplomacy - from the Bay of Pigs to Vietnam or the Gulf War - through talks with the most influential men behind the presidents. Whether they occupied the posts of Secretary of Sate, Director of the NSC or the CIA, this is an account in their own words of their actions, their points of view. A fascinating insight into US foreign policy.
