
ITALY: THE VITERBO MACHOS

Director(s): Valerie LAGARDE

Writer(s): Valérie LAGARDE

Just a few miles north of Rome, the people of the town of Viterbo have a peculiar custom. Each year in September, a hundred of the town's strongest men are chosen to accomplish together a difficult task that could be qualified as titanic. They do it to honour their madonna because they are eternally indebted to her: she miraculously saved the people of Viterbo from heavy defeat in the 13th century. Ever since, the men want to prove that they are big and strong enough to accomplish a miracle as well.
