TIM, THE KID TEACHER

Director(s): Isabelle VOIZEUX

Writer(s): Isabelle VOIZEUX

He has the face of an angel. His little hands wave about in the air...
In just a few weeks, the sign language videos with Tim created an incredible buzz on social networks ... A four-and-a-half-year old child, very much at ease with sign language... that's totally adorable. Particularly, when he has hearing parents.

Isabelle Voizeux was curious and went to meet the little guy to open the doors to his life for us and to understand how his family has managed to create and an environment for him where sign language is very much a part of daily life.
