04. I SIGN, THEREFORE I AM

Director(s): Claire CHOGNOT

Writer(s): Claire CHOGNOT

Philosophy cafés, children's workshops, radio and TV shows ... the public's interet for philosophy is undeniable.

Today, a number of deaf people also show their interest and are really getting into this activity that leads them to reflect on the major issues of our societies. Yet philosophy is little taught in school, let alone in sign language. So, how to approach philosophical thought in sign language, how to transmit it? Delphine Leleu investigates and meets the new philosophers of the signosphere.
