14. BEING 20 IN 2020

Director(s): Alexandra MASBOU

Writer(s): Alexandra MASBOU

Présilia dreams of becoming an actress, Julie is looking for a job in line with her master's degree in Law and Thomas, a vlogger, is looking for his path in life. The global COVID pandemic is particularly affecting the lives of young people as they spread their wings and make choices for the future.

What about these three young deaf people, who are already confronted with the difficulty to access higher education and the professional world and whose opportunities are limited? At a time when these opportunities are even more limited, we'll be sharing a moment of their daily lives, their aspirations and their hopes for better days to come.
