CHINESE LADIES

Director(s): Kevin MORRIS

Women are the new force in Chinese traditional music. Some outstanding soloists have made the trip from Peking for a series of concerts organised at the "Cité de la Musique" to celebrate the New Chinese Year of the snake. These young women have an extraordinary capacity to bring their music to a Western audience and connect with them. For us, it is also an opportunity to discover a repertoire and instruments rarely heard on our shores.
