Director(s): Patrick JEUDY

Writer(s): Patrick JEUDY

Re-mastered version 2013..

Since 1995, the United States of America have given access to classified information that has been kept secret for the past 25 years.
These documents shed a new light on the bitter struggle that opposed the US administration and General De Gaulle.
Our film offers a vivid and accurate account of a dozen or more 'episodes' and incidents - some famous, some hitherto unkown - of America's ten-year long battle against Charles De Gaulle.
