

## FRANCE: MEN WHO HAVE CHOSEN WOMEN'S JOBS

**Director(s): Eric PIERROT, Carole WHEATCROFT**

They are men and yet they have chosen jobs that are traditionally seen as the women's domain. Despite the odds, Benoît, Hubert and Claude have decided to start a career as nurse, mid-wife or beautician respectively. The women and children they meet speak about those pioneers, whose choice is surprising only because it is so unusual.
