

USA: BOUNTY HUNTERS

Director(s): Kevin MORRIS

Their profession: Bounty Hunters. Their prey: drug traffickers, murderers, prostitutes, bank robbers or just average people behind on the payments. Their reward: anything from $100 to $100 000 a head. Thought to have disappeared with the taming of the Wild West, they are alive and well. One hundred and fifty years on, the heirs of Josh Randal have deserted Hollywood and ply their trade on the streets of America's cities and backwaters, keenly and mercilessly tracking down criminals and delinquents who have jumped bail. Often verging towards the wrong side of the law themselves, the best among them can boast a 90% success rate.
