

PHILIPPINE: THE VALLEY OF ETERNAL RICE-FIELDS

Director(s): Patrick BOITET

Writer(s): Patrick BOITET

The island of Luzon in the northern part of the Philippines is the home of the Ifugaos : the rice-field farmers. Their terraced fields are set into the hillside just like vast staircases. These rice-fields are more than 2 000 years old and represent the key to survival in this remote area of the country.
