

CONSULTATION (THE)

Director(s): Françoise DAVISSE

Writer(s): Françoise DAVISSE

Doctor Titran is a paediatrician at the CAMSP, the Centre of Early Socio-Medical Assistance. He works with a team of physiotherapists, speech therapists and psychologists.
The consultation does not take place exclusively in the doctor's office but all over the CAMSP, from the games room to the kitchen, via the various treatment rooms and we discover the capacity of parents and children to discover their own solutions.
