

GLOBAL SANTA CLAUS

Director(s): Christian MERRET PALMAIR

Whether it's the North Pole or the Southern hemisphere, the Far East or some exotic place, noone escapes the jolly round men in red who pop up in our lives every year at the same period. Who really are all these Santas?
Gene, a deputy sheriff in Colorado, puts on his Santa suit after work. Tim is a much admired "professor" at the Santa Claus University...
We'll meet these dedicated Santas around the world who prepare the big day 6 months in advance and don't hesitate enrolling into the Santa Claus University in Colorado, or taking part in the annual Congress of Santas in Denmark or even the Santa Olymics (a Santa needs to stay fit to get down all these chimneys!). From Colorado to Dubai, from Abidjan to Norway, we meet the passionate Santas. Not to be taken all too seriously!
