

SERMON TO THE RICH

Director(s): Krzysztof TALCZEWSKI

Writer(s): Krzysztof TALCZEWSKI

The defining event of the pontificate of John Paul II was the collapse of communism, though to the Pope, it signified by no means the victory of capitalism.

He had always pointed to the materialism of both Marxism and liberalism as exclude man from their considerations. Wherever he went, he stressed his concern for placing the dignity of man at the centre of all discussion.
