

NEXT STOP: MONTREAL (season 2)

Director(s): Pascal VASSELIN

Writer(s): Pascal VASSELIN

1. Spring's here at last

When spring arrives, Montreal is dressing up in green and vibrates with a new energy which makes it the sexiest of cities. We start off with the "Piknic Electronik", THE meeting of DJ's on Sainte Hélène island....

2. Cosmopolitan Montreal

Fought over by the French and English, Montreal is home today to 120 different cultural communities. In the Portuguese quarter, we'll meet an angel during the Santo Cristo procession, we'll admire the market stalls of Little Italy...

3. Green City

Today, we'll go green and start with a visit of a giant organic farm... We'll end the day in Mount Royal park, the green lung of the city centre.

4. Creative Fever

Art in all its forms is part of the make-up of Montreal. We'll pay a visit to the astonishing workshop of Glenn Le Mesurier, sculptor and pirate, we'll be listening to the Inuit music of Elisapie Isaac, a singer from Nunavik...

5. City of Possibilities

A scent of freedom floats in the air of Montreal, it's the city of all possibilities. We start the day calling on the famous sculptor Armand Vaillancourt. In the evening, why not try some line dancing...
