

FIGURES d'ENFANCE

Director(s): Céline THIOU

Writer(s): Céline THIOU

Childhood. The first steps into the adventure of life...
Seven children, between the ages of two and a half years and 10 and a half, have agreed to tell us of their life and share their experience of it for the purpose of this film.
What's it like to be a child?

From their vantage point, at the height of their age and in their language, they let their thoughts unfold, each one at a time.
As they play together, in the forest and in a theatre, they find the words to voice their questions and concerns... constructing the edifice of childhood and shaping their own personalities.
