

SEEKING REFUGE

Director(s): Aki FUJIWARA

Writer(s): Aki FUJIWARA

In France, the number of asylum applications continues to grow.

How does France welcome refugees, when the country is confronted with its own contradictions? Torn between its universal ideal of human rights and material reality?

What happens when these refugees are deaf?

As we meet Abdallah, Irina, Vladislav, and Dimi, this film will be following very closely their individual stories to observe and find out how these uprooted families will be settling down in France.
