

TO HAVE OR NOT (En avoir ou pas)

Director(s): Céline THIOU

Writer(s): Céline THIOU, Pascale Moulévrier

They talk about money and their joint bank accounts, pocket money for their children, their loans and debts.

They are young or old, men or women, rich or poor. Yet they actually speak of something else. Money reveals their convictions, their commitments and their relationship to each other and to the world.

But what does money say about who we are and the kind of society we live in? Money is part of it and it occupies a place right in the heart of our relationships...
