

BILINGUAL TEACHING, AN ENDLESS BATTLE

Director(s): Laurent VALO

Writer(s): Laurent VALO

What's the problem with the education of young deaf people? While the legislative arsenal is clearly in favour of bilingual courses, parents always have to fight in order to impose the choice of sign language teaching for their children ...

From Normandy to the greater Paris region, we speak to the families to understand their doubts and expectations. The dialogue with the National Education is not easy, because many obstacles remain.
More than ever, everyone needs to be vigilant so that this legitimate access to the bilingual education is recognised.
