Writer(s): Wallès Jr KOTRA

The World Congress WDF (World Federation of the Deaf) has been held every four years since 1951.

In 2019, it's in Paris that deaf people of 137 different nationalities came together, to debate around the rights of deaf people and to exchange on their common experiences. Which concrete results can be expected from these discussions?
Wallès Jr Kotra from the "Oeil et la Main" team immerses himself in this international event to understand its usefulness and to highlight this extraordinary need to be together.
