

19. SKAM GENERATION

Director(s): Alexandra MASBOU

Writer(s): Alexandra MASBOU

A veritable phenomenon, the French TV series "Skam" (adapted from a Norwegian series) is all the rage with young audiences.
The 5th season revolves around the story of a young high school student who has to face his deafness. He thus gets to know the world of deaf. In this season, two young deaf actors, Winona and Lucas, play characters that are a lot like them.

We follow them as the promotion of the series is in full swing. How does the story of the characters they embody reflect their own experiences? Does their deafness become less important when facing issues that are above all specific to young people?
