

SURROGACY, GHOST FAMILIES

Director(s): Delphine LABES

Writer(s): Delphine LABES

Surrogacy - in French "G.P.A - Gestation Pour Autrui" - is authorized in some fifteen countries around the world, including some states in America.

In France, it is still illegal, yet many parents use this method and have to run a veritable obstacle course.

Filmmaker Delphine Labes deals with this sensitive subject through the story of three couples she meets, trying to understand this desire for a child.
