Director(s): Thibault FERIE

Writer(s): Thibault FERIE

Deaf and blind meet very little and for good reason: between those who cannot see and those who express themselves with their hands, communication is complicated.

Isabelle Voizeux goes to meet Nathalie Joncour, now visually impaired, to find out more about her world: access to employment, autonomy in daily life, education, the view of others and the acceptance of her difference ...

From one place to another, from encounters to testimonies, Nathalie explains the challenges facing the blind and visually impaired...
