

GO ON STAGE AND BE YOURSELF

Director(s): Pierre-Louis LEVACHER, Fabien LUSZEZYSZYN

Writer(s): Pierre-Louis LEVACHER

The Coubert rehabilitation centre, in the Seine-et-Marne region near Paris, offers its deaf students a week of immersive theatre as part of their professional training.

Within a week, they have to adapt and perform the play Pinocchio without dialogue, without using sign language, relying only on body language. Discovering oneself, gaining confidence, build your own character and imagine a different future for yourself... that is the real challenge!

Our team films step by step the progress of these budding actors and observes how human relationships are being formed around this common project.
