

EUROPE ON THE MOVE

Director(s): Tonislav HRISTOV

Writer(s): Andreas PICHLER, Joakim DEMMER

Engl. version now online!

Europe has built huge infrastructures to increase the mobility of its populations. Now it needs to meet a number of challenges such as saturated urban traffic, landlocked regions or soaring gasoline prices.
While the ecological footprint of many sectors of our economies is slowly decreasing, that of the transport sector continues to rise. How can we make transport cleaner as well as accessible to all?

The continent of Europe at a turning point: grappling with the effects of the Covid-19 pandemic and the war in Ukraine, Europe faces immense challenges. Produced by a transnational team, this series of six thematic episodes sets out to meet those who prepare the future of the continent. Through unprecedented aerial views, which highlight the diversity of landscapes across the continent, through cartographic animations and by meeting committed citizens, the series offers an invigorating tour of a Europe of possibilities!
