

25. BUILDING YOUR FUTURE

Director(s): Jill COULON

Writer(s): Jill COULON

Phout is 14 years old. She lives in Luang Prabang, the former royal capital of Laos in the north of the country, in a home for young girls lost in the middle of the lush countryside.

She studies in one of only two schools for the deaf in this communist country. Deaf children there learn sign language, make friends and discover a professional occupation. They are building their future.
With the team from "L'oeil et la main », we'll find out more about the conditions in which Laotian deaf children grow up... in a society that does not make a place for them.
