

09. MAXIME, WITH ALL HIS HEART

Director(s): Alexandra MASBOU

Writer(s): Alexandra MASBOU

Maxime is putting all his heart into two professions simultaneously: architecture and carpentry! Both offer him a balance between project design and woodworking.

As carpenter working in the "Elan Bâtitseur" (builders' momentum) cooperative, he came to appreciate the operation and support on a human scale which it offered. It's where he met Eric and Julien and the three of them form a close-knit team that works exclusively with sustainable materials.

Following Maxime in his various activities provides us with an opportunity to discover his universe and understand what motivates him to build a meaningful world.
